**ROAR!**

**FCC ID no. 2APXPE2028**

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:  
 (1) this device may not cause harmful interference, and (2) this device must accept any interference received,  
 including interference that may cause undesired operation.

**Warning:** Changes or modifications to this unit not expressly approved by the party responsible for  
 compliance could void the user's authority to operate the equipment

**NOTE:** This equipment has been tested and found to comply with the limits for a Class B digital device,  
 pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against  
 harmful interference in a residential installation. This equipment generates, uses and can radiate radio  
 frequency energy and, if not installed and used in accordance with the instructions, may cause harmful  
 interference to radio communications. However, there is no guarantee that interference will not occur in a  
 particular installation. If this equipment does cause harmful interference to radio or television reception, which  
 can be determined by turning the equipment off and on, the user is encouraged to try to correct the  
 interference by one or more of the following measures:

- Reorient or relocate the receiving antenna,
- Increase the separation between the equipment and the receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This Class B digital apparatus complies with Canadian ICES-003.  
 Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.

**WARNING:**  
 CHOKING HAZARD - small parts.  
 Not for children under 3 years.
